Good day, eh. Well today's topic is all about how James McGibney (who we don't like) is up to his little One Trick Pony tricks once again, this time getting caught red-handed trying to cyber-stalk a young girl and her family. Like all One Trick Ponies, McGibney is really good only at one thing, and that thing is cyber-stalking.

— Texas lawyer Jason L. Van Dyke

This man claims to be a Nazi but he has a criminal record for abusing women and he likes to file frivolous and vexatious LOLsuits. He is the attorney for **Texas Title Company / Maverick Title of Texas**. Robert Karlseng has given Van Dyke a great deal of money over the years and knows that he has a Nazi / white supremacist on his payroll.

How do his female employees and employees of color feel?

How do the customers of Texas Title Company feel?

And what is the State Bar of Texas doing?

STAY TUNED!!

This here is the most recent example of McGibney's continued attempts at sexually blackmailing Brittany Retzlaff and her family from just over a year ago. **CHECK IT OUT!!**

So have you guessed who the Nazi / white supremacist is? **IT IS THIS GUY RIGHT HERE!!**

"I have ZERO ethics when it comes to business and will not hesitate to destroy anyone daring to interfere with my interests."

Unfortunately for attorney Jason Lee Van Dyke of Denton, Texas, the State Bar of Texas – Office of Chief Disciplinary Counsel has some ethics, as well as plans to seriously interfere with his interests – lol. In fact, this is what **Tom Vick, President of the State Bar of Texas**, told us when we recently asked him for a comment:

“The statements attributed to this individual are reprehensible and contrary to the values we hold as Texas lawyers. I condemn them in the strongest terms.”

Your Admins of the *BV Files* work tirelessly to bring you all the news that is news around the world. Thus, you hear it here first! **A disbarment action is pending against Van Dyke for violations of several Disciplinary Rules of Professional Conduct!!**

Specifically, Rules(s) 4.04 (a); 4.04 (b); 8.04 (a)(2); and 8.04 (a)(4).

Rule 4.04. Respect for Rights of Third Persons

(a) In representing a client, a lawyer shall not use means that have no substantial purpose other than to embarrass, delay, or burden a third person, or use methods of obtaining evidence that violate the legal rights of such a person.

(b) A lawyer shall not present, participate in presenting, or threaten to present:

(1) criminal or disciplinary charges solely to gain an advantage in a civil matter; or

(2) civil, criminal or disciplinary charges against a complainant, a witness, or a potential witness in a bar disciplinary proceeding solely to prevent participation by the complainant, witness or potential witness therein.

.....

Rule 8.04. Misconduct

(a) A lawyer shall not:

(1) violate these rules, knowingly assist or induce another to do so, or do so through the acts of another, whether or not such violation occurred in the course of a client-lawyer relationship;

(2) commit a serious crime or commit any other criminal act that reflects adversely on the lawyer's honesty, trustworthiness or fitness as a lawyer in other respects;

(3) engage in conduct involving dishonesty, fraud, deceit or misrepresentation;

(4) engage in conduct constituting obstruction of justice;

(5) state or imply an ability to influence improperly a government agency or official;

(6) knowingly assist a judge or judicial officer in conduct that is a violation of applicable rules of judicial conduct or other law;

(7) violate any disciplinary or disability order or judgment

So why are we posting this and why do we care? After all, what is one more racist ass-hat on the internets, right?

Well, unfortunately for Van Dyke, he decided to send us an email, **totally out of the blue**, demanding that we stop talking about him and threatening us with a lawsuit!

"Dean —

I see that you and your friend Tommy have continued your slander campaigns. Good.

See you in Court. "

— Email of March 13, 2018.

We have no clue as to what "slander campaigns" Van Dyke is referring to. **But we are most happy to start one... TODAY**, if that will make him feel better!!

FYI: There is no "Tommy" here. No one named "Tommy" is an Admin of the *BV Files* or is otherwise responsible for our content. But then again, you guys already know that.

DO NOT DO BUSINESS WITH THIS MAN OR HIS COMPANY!!!

— Bob Karlseng – Owner, Texas Title Company and paymaster to Nazis

So why does Bob Karlseng give money and economic support to Nazis? **And what do each and everyone of the corporate clients of Maverick Title of Texas, LLC dba Texas Title Company think about their monies going into the pocket of a racist ass-hat who likes to post ridiculous stuff on The Interwebs?** That, our teeming **MILLIONS** of readers, listeners, and supporters, will be the subject of an upcoming article. **STAY TUNED!!**

We here at the *BV Files* have a very special message for Denton, TX attorney Jason Lee Van Dyke:

— Go Fuck Yourself, Jason Van Dyke. Woof, bitch!!

SO. HOW WAS YOUR WEEK?

You can thank your friend James McGibney (who we don't like) as these photos came straight from his Cheaterville.com website.
